**The BC Council for International Cooperation, VIDEA and the
Pacific Peoples' Partnership present**

An Island Toast to International Development!

Join us at **Swan's Brew Pub (Collard Room)** on **Tuesday February 9th, 2010 at 5pm** for a casual gathering of Vancouver Island based people and organizations interested in or working within international development. This is an opportunity to chat, debate, socialize and connect with others who are passionate about working, volunteering and learning about the sector.

BCCIC is a coalition of international development organizations. Though relationship-building with other networks, BCCIC works to support a coalition of members – operating both locally and globally – to reduce global poverty and achieve sustainable human development.
