

# Bridging The Gap

International Development Conference

## Local action to global impact.

Explore how local actions can positively support global poverty relief through an exciting day of learning with workshops, discussions, and speakers.

### KEYNOTES

**Hans Rosling** - Professor of International Health, former advisor to the WHO and UNICEF, and famed speaker from the TED conferences.

**Shauna Sylvester** - Director of Canada's World and cofounder of the Institute for Media, Policy, and Civil Society.
